

# INDIGENT STUDENT SCHOLARSHIP FUND

Our story  
so far!

Towards surpassing  
the most demanding standards  
available anywhere in the world.

FOREVER IN OUR HEARTS

7

YEARS ON

14 JUNE 2011 – 14 JUNE 2018

“

Day Waterman College will provide education of world class standard in an environment of care, using the best available facilities both locally and abroad to build the next generation of leaders.

”

**Olutayo Aderinokun (MFR)**

Founder, Day Waterman College

8 May 1955 – 14 June 2011

# From the Chairman

It was Tayo's vision that no child should be left behind in the educational race of life by way of poverty or lack.

**Tofarati Augusto**

This year marks the 10th anniversary of both Day Waterman College (DWC) and the Day Waterman College Indigent Student Scholarship Fund (DISSF). Since the passing of our dear Tayo Aderinokun, his founding vision of establishing a world class institution in Nigeria, in which students, irrespective of tribe, religion and status would have the opportunity to receive enviable education lives on. With the continued generosity of our donors, we have been able to sustain the scheme, providing for 50 students till date, 39 of whom have graduated.

The scholarship fund is a noble gift to intelligent but indigent children across the federation. It was Tayo's wish that no child should be left behind in terms of education because of poverty or a lack of opportunity. It burned within him that talent goes to waste in such circumstances. Not given to empty words, he acted promptly, as was his way, with the help of a few good friends and family. Seven years on, we remain focused and firmly committed to his vision.

Aided by a clarity of purpose, we

have worked purposefully to ensure our scholarship students make the most of the opportunity by continuously challenging them to excel within the borders of the school and upon graduation. Our beneficiaries exhibit an enthusiastic passion for knowledge and with each succeeding year surpass themselves academically and socially. They also strive to make their mark in the Arts and Sports, thereby growing in confidence and gaining key leadership skills. It is worthy of note that the second highest achiever in the last set of IGCSE exams was a scholarship student who attained an enviable 9A\* and 2A result. It is performances like this that continue to encourage us.

Whilst still in DWC, the students are exposed to different work environments in various companies through internship programmes we subscribe to. We believe such early exposure can only help their overall development. In addition, we make sure our scholarship graduates are positioned to proceed to the next stage of their education unencumbered by financial handicap. To this end, we

continue to develop links with colleges and universities that offer a variety of scholarship programmes. Our aim is for DWC not to be the end but rather the beginning of a bright future. Evidence of this is the fact that over the years our former students thrive in institutions locally and internationally, with many on full scholarships.

We greatly appreciate the support we have received from our donors and are eternally grateful for the commitment. All donations have helped to positively impact the lives of these children and shaped brighter futures for them (please devote time to reading their stories on pages 6 and 7).

Once again, we say thank you and look forward to your continued partnership.

**Tofarati Augusto**

Chairman,  
DWC Board of Governors

# EXPERIENCES

## **Day Waterman College: The Root of Success**

*I am indeed privileged to have attended Day Waterman College through its Scholarship Scheme. The institution has given me different formative backgrounds that have made me who I am today: a vibrant studious student who desires to attain greater heights.*

**Oluwaseun Sangolade**  
(Class of 2018)

*With the help of well-trained and qualified teachers, I have been able to build myself to be a better person. Also, constant engagement in extracurricular activities like Debate Mate honed my public speaking skills. Besides, getting fit through different sports moulded me into a strong versatile scholar. Doubtlessly, I am honoured to be studying for my A' levels in Nigeria, all thanks to Day Waterman College Scholarship Scheme.*

*I graduated with the 2015 set. Assuredly, my time at the college represents the best five years of my life so far. At Day Waterman College, I had access to world-class facilities that I would never have dreamt of. Also, the teachers were the best available.*

*I am really grateful that I got the opportunity to study at Day Waterman College, and I sincerely appreciate everyone that made it possible, most especially the members of the Day Waterman College Scholarship Committee who have made it a duty to uphold the dreams of the Late Mr. Tayo Aderinokun as regards helping the underprivileged to get a chance of a bright*

**Adewale Jolaoso**  
(Class of 2015)

*future, which only standard education can guarantee.*

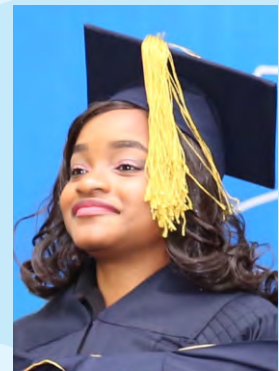

*As a beneficiary of the Day Waterman College Scholarship Scheme, I can confidently declare that it has greatly contributed to the man I have and can become. It covered all my expenses at Day Waterman College and allowed me to study freely in the kind of space that can only be associated with the "rich" in the society.*

*Even after the five-year programme at Day Waterman College, the scheme still made substantial efforts to help me further my education as I am currently a final year student of Mass Communication at Pan-Atlantic University, Ibeju-Lekki, Lagos.*

*This beautiful initiative that I have enjoyed from DayWaterman College is one that every underprivileged child out there needs, therefore, I urge for more donors for the DWC scholarship scheme. With this, we give our beautiful nation a better fighting chance against corruption and all the other ills battling us at this present time and the future.*

## **How the Scholarship Awarded by Day Waterman College Impacted my Career Path**

*In September 2013, I joined the Day Waterman College community through the indigenous Scholarship Scheme. Of course, I was grateful for the opportunity to access world-class education but that was only one way in which this scholarship impacted me.*

**Favour Okpapi**  
(Class of 2018)

*My five years at Day Waterman College irrevocably changed me; it shaped me into the person I am today both academically and personally. Within its classrooms, I discovered both my academic interests and a desire to put my learning into practice for the good of those around me. With its students and staff, I honed my confidence and social skills. In the comfort of its boarding houses, I sharpened*

independence and decision-making  
adroitness, among other invaluable skills.

However, my future benefited most from  
the scheme. In my first few years, I was  
unsure of everything: what subjects I  
liked, what career I wanted to pursue,  
where I wanted to study and so on.  
Nevertheless, over the course of several  
career days and my work experience  
programme, I changed my career choice  
several times and refined my interests  
with help from my teachers, whose  
interest and willingness to help was  
amazing.

Finally, I have made my choice: I plan to  
study medicine. Although a herculean  
task, I have learned perseverance from  
Day Waterman College. With the right  
mindset, there is nothing in this world that  
can stop me from reaching my goals. The  
preparation for the post-secondary life I  
received and the skills I developed in DWC  
are already smoothing my path in A-level  
education in the United Kingdom which  
was also achieved on full scholarship.  
Sincerely, I appreciate the donors,  
Scholarship Committee and Board  
Members for their selfless support to keep  
the vision of the founder of Day  
Waterman College, Late. Mr. Tayo  
Aderinokun.

As a Day Waterman College scholarship  
recipient, I am so thankful to the generous  
donors and Board of Directors that helped  
make my dreams happen. Their  
contribution has truly been an investment  
in my life.

Day Waterman College scholarship  
opened new opportunities for me and  
other  
scholars.

Through Day  
Waterman  
College, I was  
able to gain  
admission  
into the  
Pan-Atlantic  
University,  
Lagos on full  
scholarship.  
Recently, I  
graduated  
with a  
Second Class

Upper in Business Administration from  
there. Day Waterman College has helped  
to shape me into the couth individual I am  
today: a person of integrity, character and

**Ifeanyichukwu Josiah**  
(Class of 2013)

charisma. Day Waterman College  
provided me with a conducive learning  
environment which impacted knowledge  
and character in me. I am proud to be an  
Alumni of Day Waterman College.

Sincerely, I hope the scholarship donors  
understand the impact that their gifts  
have on the beneficiaries of the scheme  
studying in Nigeria and other parts of the  
world. Hence, the Board of Directors and  
donors should keep the lofty dreams of  
Late Mr. Tayo Aderinokun alive and  
sustain the scholarship scheme.

Again, I am ever grateful for the  
investment and opportunities availed me  
by the Day Waterman College Students  
Scholarship Scheme. Every act of kindness  
is like a ripple in a pond, and this influence  
and impact are reaching far beyond the  
obvious.

#### **DWC Scholarship: A Metamorphic Impact**

In 2014, I graduated from Day Waterman  
College and the impact that the Day  
Waterman College Scholarship Scheme  
has had on my life cannot be overstated.

At Day  
Waterman  
College, I  
received a  
well-rounded  
education  
which  
surpassed my  
expectations.  
Academically,  
it was  
challenging  
but extremely  
fulfilling. In  
addition,  
because of

the world-class facilities of the school, I  
was able to explore other passions, such  
as music and sports. The staff provided all  
kinds of support - mental, spiritual,  
academic, and emotional. My education  
at Day Waterman College put me on a  
path to greatness as I received another  
scholarship to study the International  
Baccalaureate Diploma Programme at the  
United World College of the Adriatic in  
Italy.

I am currently a third year student of  
Computer Science and Applied  
Mathematics at Macalester College in the  
United States on full scholarship as well.  
Forever, I am grateful that I had the

**Hosea Ogeleka**  
(Class of 2014)

privilege of being one of the recipients of  
the DWC scholarship scheme.

To the founder of Day Waterman College,  
Late Mr. Tayo Aderinokun, the  
Scholarship Committee, Board Members  
and donors, I would like to express my  
gratitude. As a result of their generosity, I  
received an excellent secondary education  
which has opened many other doors to  
me in life. I hope that God continue to  
bless them, as they continue to bless  
young Nigerians with this opportunity of a  
lifetime.

The Day Waterman College scholarship  
platform has personally improved not only  
my academic life but behaviour, character  
and integrity.

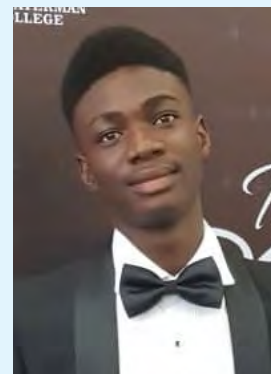

I, OGBECHE  
FREDRICK  
ODEY, have  
been a great  
beneficiary  
and witness  
to the good  
work of Day  
Waterman  
College  
Scholarship  
Board which  
has aided the  
underprivileg  
ed in the  
society as

they have moulded me to portray  
humility, courage, confidence, intelligence  
and a plethora of other virtues.

Even after the five-year programme in  
Day Waterman College, the scholarship  
board still strived to ensure that I received  
another scholarship to further my  
education. Currently, I am studying for  
accelerated A' level programme at  
Educational Advancement Centre, Ibadan  
in Oyo State.

I wish every child in need of quality  
education could be a part of this  
transformative scheme. Therefore, I urge  
for more donors to commit themselves  
financially towards sustaining this  
laudable vision that would impact our  
nation.

Change starts from Day Waterman  
College because we are aimed at  
"Achieving the most demanding standards  
available anywhere in the world."

**Fredrick Ogbecche**  
(Class of 2018)

# Scholarship Scheme

---

Day Waterman College is an international secondary school which opened its doors to the first set of students in September 2008. The school boasts of modern facilities and a teaching staff comparable to those of the best schools in the world.

The Day Waterman College Indigent Student Scholarship Fund was set up by the late Mr. Tayo Aderinokun (Founder of the College) to provide children from impoverished backgrounds with the world class education Day Waterman College has to offer. It was his vision that no child should be left behind in the educational race of life by way of poverty or lack of opportunity.

The scholarship scheme was designed to shape the lives of young impressionable children, to give them hope of a better tomorrow and bring out their leadership traits. Since inception in 2008, the fund has catered for 39 scholarship students and currently sponsors 11 students. However, our goal is to grow the fund annually in order to maintain the provision of future scholarships.

Our scholarship students in DWC are very bright, focused and passionate and they are making very good use of the opportunity the fund has afforded them, having excelled both in academic and extra-curricular activities. The past graduated scholars have excelled in their IGCSE examinations and gained admission into Universities in Nigeria and abroad also on scholarship. This has encouraged us greatly as we see that the scholarship has helped these indigent students develop exceptional talents and improve their self- confidence, to become role models to the Nigerian society and the world at large.

WE APPRECIATE ALL OUR  
SCHOLARSHIP DONORS

# How To Support THE SCHOLARSHIP SCHEME

The aim of the Day Waterman College Indigent Student Scholarship Fund is to raise sufficient funds to cater for all current students in the scheme and to ensure, with the availability of funds, that two to three students are awarded a scholarship at the start of each academic year. To this end, we solicit for donors who can offer assistance through the following:

## A. Support a Child: One time donation or continued sponsorship

- You can support a child's school fees payment for one academic year – N4,600,000
- You can sponsor a child for the duration of their secondary education; cost is N5,918,242 per annum for 5 years.

## B. Annual donation or one time donation

- You can make an annual donation of a specific amount towards the scholarship fund.
- You can make a one-time donation to the scholarship fund.

Cost Breakdown of Fees Involved in Sponsoring a Scholarship Student in Day Waterman College (DWC)

| Description  | Amount            |
|--|-------------------|
| 1st Term Fees  | N1,713,000        |
| 2nd Term Fees  | N1,449,000        |
| 3rd Term Fees  | N1,438,000        |
| <b>Annual School Fees</b>                                | <b>N4,600,000</b> |
| Other Fees:  |                   |
| Uniform & Boarding House Items (New Student)             | N390,000          |
| Change of Uniform (Returning Student)                    | N86,000           |
| Netbook (Year 9 Student)                                 | N250,000          |
| Check Point Examination (Year 9 Student)                 | N42,000           |
| IGCSE Registration (Year 11 Student)                     | N388,850          |
| Revision Classes for IGCSE Examination (Year 11 Student) | N161,392          |
| <b>Total</b>   | <b>N1,318,242</b> |
| <b>Grand Total</b>                                       | <b>N5,918,242</b> |

Day Waterman College scholarship scheme has made an incredibly positive impact on my life, which has tremendously influenced my academic journey and life as a whole. This was only made possible by the great scholarship vision of our late founder, Mr. Olutayo Aderinokun.

In the words of the late founder, "...no child should be left behind in the educational race of life by way of poverty or lack." That statement was one of the things that gave me the opportunity to attend this wonderful school. The blend of lifestyles from different backgrounds and the curriculum has enriched my life.

Importantly, I want to use this medium to display my immense appreciation to all the donors who have contributed to the scheme that has kept me in school from Year 7 up to my current year. These donors have been instrumental to my life and education, and their contribution will always be acknowledged because it made a difference. Without my donors and the Board of Governors, my education would have been haphazard, but with them I became smarter, more experienced and my future is better secured.

Finally, I urge the donors to please continue donating to help sustain this scheme that has given me such bright future.

Lateef Adebayo  
(Year 11)

The scholarship opportunity created by the late Founder, Mr Tayo Aderinokun has been of great benefit to me. It gives me the opportunity of having quality education.

The School has led me to the digital world where technology is necessary. Over the years in Day Waterman College (DWC), I have also been able to adapt to the school's system of education. Aside from the academic work, the extra-curricular activities have been of great interest and I have been able to make good friends who have challenged me to be much better in all areas. I want to thank the philanthropists (those sponsoring my scholarship) and pray that God will continue to enrich them. I am also grateful to the Board of Governors and all the staff DWC for impacting me with their knowledge.

Finally and just like Oliver Twist, I would like to solicit for the kindhearted donors to keep the vision of the Late Founder alive in order to reach out to more students like me who will positively impact the Nigerian Society.

Chukwumazuru  
Eze (Year 9)

The Day Waterman College scholarship vision of late Mr. Olutayo Aderinokun, is aimed to shape the academic life of students who, like me, do not have the financial capacity to receive such world-class education.

My utmost aspiration has always been getting the best education I can ever be offered. Education is the best legacy in a man's life and to the society.

As a new scholarship student in year 7, the first thought that crossed my mind was how I was going to adjust to a different system of education and the new environment. Over the years, the experience has been wonderful and a great learning process.

Day Waterman College has positively impacted my character and leadership traits. The vast number of teachers in the school have also guided me academically to achieve excellence.

I would like to request that the magnificent donors continue to donate to make an impact on the life of every less privileged child out there through the Day Waterman Scholarship Scheme. I truly appreciate your role in making my life better and making me a proud scholarship student of Day Waterman College.

Khaosara Akintoye  
(Year 11)

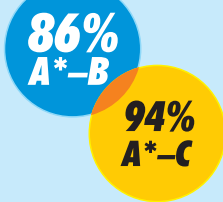

My family and I are grateful to the donors who fund the Day Waterman College Scholarship Scheme. We cannot thank them enough as most people in this world would not be so generous to donate their money to other children. I am so delighted to be a scholarship student in Day Waterman College, where I enjoy the highest standard of education available anywhere in the world, which has immensely impacted my academic life and shaped my character through the vision of the founder, Late Mr. Olutayo Aderinokun.

I would like to use this medium to reach out to the donors and plead that they keep sponsoring the scholarship scheme and give us the opportunity to finish to the best of our abilities.

Mariam Abiola  
(Year 11)
